INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to Rules 56 and 98, Applicants hereby call the attention of the Patent Office information about two already submitted references.

An IDS of October 21, 2005 incorrectly mentioned its references were cited in an International Search Report. This was true for some, but not all, of the references. FR 542659 and US 3,923,241 were not in the International Search Report, but rather were discussed at page 2 of the present application. The present IDS includes a Form PTO-1449 to re-list FR 542659 because the Form PTO-1449 filed October 21, 2005 did not mention its publication date (although the date is apparent from the document and its cover sheet filed in the October 21, 2005 IDS).

Applicants respectfully request the references be expressly considered during the prosecution of this application and made of record herein and appear among the "References Cited" on any patent to issue herefrom.
